### Old Business:

- A. Bridging the Gap Business Cards
  - a. Planning a BTG Workshop in April
    - i. Date and location TBD
- B. Districts 50 & 51
  - a. Dave spoke with new DCMs for both Districts and they do want us to list their meetings
  - b. New DCM for District 22 asked if we could list them because part of their district is listed in Charlotte and the rest is unlisted
  - c. We are getting underrepresented districts listed on our website so that people know where to go!  
This is very important 😊 😊
- C. Point of Sale System
  - a. Developing invoice for Office Volunteers
  - b. Will implement in April 2022
  - c. Has new daily reporting sheet been implemented/will it be ready to be implemented when the time comes?
- D. Diverter 2022
  - a. Committee members and intergroup reps are doing a fantastic job
    - i. A few glitches with the website where the IGRs cannot log in to the website
    - ii. Please reach out to your steering committee members to ask for help with transferring!
  - b. Megan will discuss how we should be handling busy and no answer calls
    - i. Try to get a backup person to put into the BUSY and NO ANSWER fields on the website
  - c. There is no option to specify alternate numbers for each and they need to be utilized so no calls go unanswered
  - d. **REMINDER: ALL IGRs ARE RESPONSIBLE FOR TRANSFERRING DIVERTER TO THEIR GROUP VOLUNTEERS! THANK YOU!**
- E. Chips
  - a. Old chips to be donated will be distributed when Dave returns from vacation
  - b. So far, only 2 people have contacted intergroup to let him know that they want the old chips
  - c. Please contact Dave sooner rather than later if you want chips to take into treatment centers!
- F. Screen for workshops was ordered and arrived damaged
  - a. Working on getting it returned and getting an undamaged replacement
- G. Extending Office Hours: from 10am-2pm to 9am-5pm!
  - a. Open floor for discussion
  - b. Opinions:
    - i. The Steering Committee knows best!
    - ii. Maybe it wouldn't be necessary to open up fully every day of the week, maybe just 2 days or week to be open later for people who work! (Going back to 9am-5pm just a couple days per week)
    - iii. The IGRs think it would be good to open back up just a couple days a week

### New Business:

- A. David L. from Dutch Square Group brought up that it is disconcerting to hear a voice but not know where the voice is coming from, suggestion to have the camera facing the room instead of the people operating the laptop
- B. Treatment Centers
  - a. Three Rivers wants AA to come back on Tuesdays, Wednesdays, and Saturdays
  - b. Requirement would be: 2 COVID vaccinations and vaccine card, wear a mask
  - c. The district cannot seem to orchestrate that effort now to start back taking treatment center meetings back
  - d. **The question is: Is this something that Intergroup could be able to organize for the district?**

**No other new business.**
