## **OLD BUSINESS**

**A. Revised S&P –** The revised Structure and Procedures were sent out last month. A few language modifications were made; the Secretary position is being combined with the Information Chair position; and a new Outreach Chair position has been made tying in BTG and other outreach efforts. A motion and a second were made with unanimous approval at 6:53 p.m.

**B. Point-of-Sale System –** The Steering Committee made the decision to go with a Square point-of-sale system. Square offers a newer mobile system with a register and other peripherals which will replace our outdated card processing system. We anticipate the system will be easier to use for volunteers and customers, faster than what we have, and will also link inventory and sales, and provide detailed receipts. We'll also be able to use the system to take payments at events.

**C. Outreach Chair –** Welcome Ryan as the new Outreach Chair and Bridging the Gap Coordinator.

**D. Newcomer Kits-** Forms to be sent out for kit orders through email.

**E. Safety Cards -** These are free and available in the Intergroup office.
